

Dear All

I am writing to let EVERYONE know how wonderful it was to work with PlaygroundUS and IVRI Trade Inc.

We bought the BIG OLD FORTRESS and a 2 Seat Swing Set and your company installed it with professionalism and great care.

When we contacted you with questions, you responded quickly and you lived up to all the written and verbal agreements. If every company was as easy to work with in this world (and as professional) as yours is, the world would be a far greater place. The BIG OLD FORTRESS is lovely and the kids at our church LOVE IT!

Thank you and God bless you!
